

Directions to the Wedding Barn

In general, Google Maps or a GPS will get you to the barn. But just in case, here are some written directions to help you:

From Hwy 16:

- Take Hwy 16 until you are just north of Albion and south of Pangburn.
- **Turn right** onto Dewy road (305/124)
- Follow it past Pine View church and over the river
- **Turn left** on Little Red Mtn road (305)
- Go up the curvy mountain road. On the left, you will see a big rock house with red slate roof and stables with a circle drive. The barn is after that on your left.
